

The logo should be simple and easily recognizable.

The types of logos I like are: IBM, HP, XEROX, KODAK

Note: we are in the data and document industry:

DATA AND DOCUMENT MANAGEMENT SOLUTIONS

This is our actual logo:

This is something I played with:

We are main active across Europe.

Our company has the following legal name: CRT

Denominative from: Composition Research Technologies

Our domain is: [www.crteurope.com](http://www.crteurope.com)

Our new website will look like this:
